Brotherhood Elects Officers.

At the meeting of the Lutheran brotherhood Tuesday evening the officers for the coming year were elected and many plans were discussed for the work of that body this winter.

About thirty men were present and they were delightfully entertained at the home of Mr. and Mrs. Chas. Lierk, Jr., who were assisted by Mr. and Mrs. Harry Johnson. Talks were given by Messrs. Tramp, Shilling and Weingand and two new members were taken into the brotherhood. They were Will Hendy and Peter C. Peterson.

The men discussed plans for the Lenten meetings which will be held every Friday evening during Lent and upon vote it was decided to have talks on the bible by different members of the brotherhood. A committee composed of J. E. Sebastian, Fred Peterson and Harry York was appointed to look after the arrangements of these meetings. The question of winter sports was also widely discussed and the committee in charge will report at the next meeting. The committees in charge of the distribution of the benevolence envelopes were instructed to carry on their work as rapidly as possible and they will hold a joint meeting on the afternoon of December 27th. These committees comprise four men for each ward who solicit for the benevolence offerings so that they will know exactly how much money will be available for benevolent work.

The following officers were elected: President Frank Bretzer; vice-president, Charles Lierk; secretary-treasurer, Harry York. The retiring officers are Dr. O. H. Cressler, president; Frank Bretzer, vice-president; and Louis Johnson, secretary-treasurer.

FOR SALE OR EXCHANGE FOR CITY PROPERTY

A good section of land, all fenced, well and windmill, some in cultivation. See BRATT & GOODMAN.

Ask Front Street Opened.

At a meeting of the city council Tuesday evening the proposition made to the city by the Union Pacific company was taken up and quite widely discussed.

The railroad company has offered to deed to the city certain land along the tracks. The land they have offered comprises a strip fifty feet wide on Front street from Locust street east to Silber avenue, thirty-five feet wide from Locust street west to the ice houses and thirty feet west to Grant avenue. On Seventh street they offer to deed a strip fifty feet wide through the main part of the city.

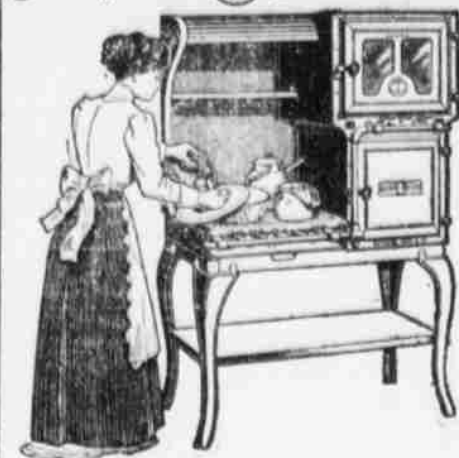

After some discussion the city council voted that they would accept the deeds if the railroad company would grant them a seventy-foot street instead of a fifty-foot street and if they would open Front street on the west. Front now runs only to Grant avenue and the council asks that it be opened from there west to the main highway.

An ordinance ordering Ninth street open between Bellevue addition and the original town was read the third time and put on its final passage. Some other business of minor importance was also transacted.

People Suffering in McPherson Co.

Mrs. Hattie Lensk, living near Brighton in McPherson county, has written Governor Morehead giving the names of several families who are in needy circumstances because of crop failure and urges the governor to provide, in some way, relief for them. Mrs. Lensk contends that Nebraskans should look after their own suffering and hungry before sending food stuff to the Belgians. There are a good many others who hold the same opinion. All over the sand hill section of Nebraska there are homesteaders who are in very destitute circumstances suffering from lack of food and fuel.

IN ALL MY EXPERIENCE IN THE RACING GAME, NEVER HAVE I HAD AS SATISFACTORY A MOUNT AS THE MAXWELL NUMBER "14" WHICH I DROVE IN THE CORONA ROAD RACE THANKSGIVING DAY WITH PRACTICALLY NO PREPARATION IN A CAR WITH WHICH I WAS ABSOLUTELY UNFAMILIAR. I WENT THE ENTIRE 300 MILES WITHOUT A SINGLE STOP, THEREBY ESTABLISHING A NEW WORLD'S NON STOP ROAD RACE RECORD AND FINISHING IN SECOND PLACE. THE MAXWELL CAR BEHAVED IN PERFECT SHAPE, RAN COOL AND SMOOTH THROUGH THE ENTIRE RACE AND HAD PLENTY OF SPEED FOR ANY RACE. I HAD IT DOPED THAT 85 MILES PER HOUR, WOULD WIN THE RACE; THAT WAS THE REASON I AVERAGED ONLY 85-5 MILES. CAR I DROVE WAS THE MOST CONSISTENT PERFORMER IN THE RACE. TIRES SHOWED PRACTICALLY NO WEAR. USED 23 GALLONS OF GASOLINE - 3 GALLONS OF OIL, NO WATER.
